ediția a VI-a

Dear friends,

The VI-th Edition of the International Festival & Fringe “Universtudent” Sibiu 2011 will take place between the 2th and 8th of May. “Universtudent Fest” is a festival dedicated to all projects initiated by young people, especially by students.

Universtudent is divided into two areas: 1. **Festival** and 2. **Fringe**, each area having multiple sections, such as : performing arts, exhibitions, dance, poetry, music, workshops, conferences and communication sessions, all of which are supported and organized by a young team consisting mainly of students from the “Lucian Blaga” University of Sibiu.

Therefore, we suggest over 30 locations within the historical area of Sibiu. Most of these events will take place in outdoor locations available to the audience, as well as in different specially arranged spaces.

We would like to point out that Sibiu is situated in the heart of Romania, with a vast cultural history, which is visited by thousands of people worldwide.

We would be honored to have you with us in this year’s edition the International Festival & Fringe “Universtudent” Sibiu 2011!
