

Master of Arts in International Relations

I Edition Path of Excellence Curriculum International Trade

The Department of Political Science is pleased to announce the launch of the first edition of Path of Excellence of the **M.A. in International Relations**, Curriculum International Trade (**27 February - 17 March 2017**).

Path of Excellence, reserved to the best students of the M.A. program, represents an extraordinary opportunity to attend to intensive seminars held by national and international experts, scholars, as well as by entrepreneurs in specific fields particularly sensitive for the international trade.

This year, Path of Excellence will be focused on the following macro-topics
(please download the detailed and latest version of the program at
