

Senior Software Developer

Randbee Consultants (<http://randbe.es>) is a startup company based in Malaga made of a multidisciplinary team of researchers with a strong environmental science background. Randbee Consultants deals with environmental research in ICT, knowledge management, data and statistical analysis, E-learning and capacity building, environmental modelling and information systems. Our team is composed by a group of international experts with a solid experience in the management of European Union funded projects in the area of Environment and Sustainability, as well as Research and Development Cooperation Policies.

We are looking for a senior software developer to join our team during 2016. This position will focus on developing web tools and software for our research data projects.

We are looking for someone who:

- Has a background in Computer Science, Engineering, or any other relevant technical background or relevant experience
- Has advanced knowledge of Python, HTML5, CSS3, responsive web design
- Is fluent in Javascript including popular JavaScript libraries such as jQuery, Angular
- Has some knowledge on PostgreSQL and SQLAlchemy
- Has working knowledge of Git and GitHub
- Is interested in GIS and geospatial data visualization and analysis
- Has working knowledge of Linux
- Has minimum Experience 3 - 5 years
- Experience with CKAN would be an asset

What we can offer

- Opportunity to learn and develop your professional career in one of the fastest growing economic sectors.
- Be part of an international team of experts involved in European and International research projects with clients such as the European Commission and the United Nations.
- Advice, training and guidance to develop your career.
- Flexible working hours and with the option of working remote from time to time.
- Great sunny location in a vibrant city in the South of Spain.

Practical information

Working hours: Monday to Friday (40 hours) - flexible

Salary negotiable

Location: Malaga City Centre (Spain)

If you believe that you are right the candidate for this position, please send an email to jobs@randbe.es including your Curriculum vitae and a motivation letter.
