

Academy of Body Image, EATING PROBLEMS AND HEALTH

RESEARCH MEETING

Palermo

STERI

Chiesa S. Antonio Abate

July 4 and 5, 2016

<https://www.facebook.com/PsicologiaClinicaUnipa/>

The first international meeting of the Academy of Body Image, Eating Problems and Health will be held at the University of Palermo and hosted by Prof. Gianluca Lo Coco (Dipartimento di Scienze Psicologiche, Pedagogiche e della Formazione). The research meeting aims to discuss innovative results from studies on eating and weight disorders, body image satisfaction and health, from July the 4th (9.00-17.00) to July the 5th (9.00-17.00).

The full program is available at Facebook page <https://www.facebook.com/PsicologiaClinicaUnipa/>. The meeting is open (max 50 people) to students and researchers interested in the assessment of eating disorders, obesity and body image, and strategies for improving psychosocial well-being of people with eating problems.
