c. Each Partner Institution in respect of any claim for which it will seek indemnity within the terms of this Agreement will:

i. As soon as reasonably practicable after becoming aware of the claim, provide the other with reasonable details of it and thereafter provide the other in a timely manner with such information relating to the claim as may reasonably be requested by the other;

This Agreement is not intended to create nor should it be construed as creating a corporation, agency or partnership (whether general or limited) or any legal entity or continuing relationship or commitment between the Partner Institutions other than as expressly contained in this Agreement. There will be no sharing of profits or losses among the Partner Institutions.

c. Non-enforcement of any provision of this Agreement will not constitute a waiver or precedent in respect of that or any other provision at any other time or by any other Partner Institution.

d. If any provision (or part of a provision) included in this Agreement is found to be illegal, void or unenforceable, in whole or in part, then such provision will be severed from the rest of this Agreement and the remainder of this Agreement will continue to have full force and effect for all intents and purposes of the law.

17.1 Development and sustainability

a. In terms of excellence, course integration, the joint nature of the endeavour under this Agreement and financial viability, the Partner Institutions strive to develop and implement the Degree Programme in such a way that the Degree Programme can exist beyond the EU funding period.

b. The Partner Institutions intend to secure financial sustainability beyond EU funding by:

- Supporting the institutional embedding of the Degree Programme in the Consortium and at the Partner Institution itself in all necessary aspects.

c. The Consortium intends to secure sustainability in terms of finances and excellence of the Degree Programme beyond EU funding by:

b. In the event of any dispute between the Partner Institutions regarding this Agreement, the Partner Institutions agree to attempt to reach an amicable settlement, in good faith, with the facilitation of the Steering Committee.

c. In the event that such an attempt is unsuccessful, any dispute will be resolved through a "Dispute Resolution Panel", that being a three-person panel composed as follows:

- The claimant and the respondent (or, in the case of multiple claimants and/or respondents, the multiple claimants, jointly, and/or the multiple respondents, jointly) will each nominate one panel member.
- The nominated members will appoint a third panel member, who also will serve as the chairperson of the Dispute Resolution panel.

d. The Dispute Resolution Panel so constituted will set its own rules of procedure and adjudicate the matter submitted to it.

e. The decision of the Dispute Resolution Panel will be final, and upon it being communicated to the Partner Institutions, they will abide by it from that date, as far as legally possible in compliance with national law.

17.4 Application of laws

a. Any dispute arising out of, or in connection with, this Agreement, including any question regarding its existence, validity or termination, if not resolved by mutual amicable settlement or by means of a Dispute Resolution Panel between the Partner Institutions within a reasonable time, being no more than a total of three months, will be subject to:

- i. the national law of the Partner Institution at which the incident arose; or

- ii. should the former option not be applicable, the national law of the Coordinating Institution; or

17.5 Termination

- a. The Partner Institutions will each be entitled to terminate their commitment to this Agreement through a phased withdrawal, for any reason, by giving at least twelve (12) months' notice in writing to the Steering Committee prior to the 31st August of any given year during the applicability of this Agreement.
- b. The Steering Committee may require a Partner Institution to terminate its commitment to this Agreement if that Partner Institution persistently does not fulfil its obligations and the requirements as outlined in this Agreement.
- c. In the event of a Partner Institution withdrawing from the Consortium, the Steering Committee will manage the phased withdrawal, respecting the interests of the enrolled students and ensuring the conditions for the effective continuation of their studies.
- d. Any Partner Institution wishing to terminate its commitment will agree upon a phased withdrawal plan, during which its legal obligations to each student must be analysed, assessed and reported to the Steering Committee. Should the Partner Institution be unable to honour its commitment to its students during the course of its withdrawal, arrangements will be made to transfer the obligations to another Partner Institution. This may involve, among others, the transfer of funds between the Partner Institutions involved, for such purposes.
- f. The termination of a Partner Institution will be conducted in accordance with Article 32.3 of the Grant Agreement.
