

Nicola Elvassore

Associate Professor

Department of Industrial Engineering
University of Padova
Via Marzolo 9
35131 Padova, Italy

Office: +39-049-827-5469
Fax: +39-049-827-5461
E-mail: nicola.elvassore@unipd.it

Curriculum

1995 Laurea in Chemical Engineering, University of Padova
1999 PhD in Chemical Engineering, University of Padova
1999-2001 Postdoc, Istituto di Impianti Chimici, University of Padova
2002-2011 Assistant Professor, Dipartimento di Principi e Impianti di Ingegneria Chimica, University of Padova
2005 Fulbright Visiting Scientist, Harvard-MIT Division of Health Sciences and Technology, MIT, Cambridge, USA
2012-2014 Assistant Professor, Department of Industrial Engineering, University of Padova

Affiliations:

2005-2007 Research Affiliate at Harvard – MIT Division of Health Sciences and Technology, MIT, Cambridge, USA
2005-now Research Collaborator at Tissue Engineering Resource Center (TERC) Tufts University, MIT, NIH
2007-now Research Affiliate at Venetian Institute of Molecular Medicine (VIMM), Padova, Italy

A complete list of publications is available here (http://www.bioera.dii.unipd.it/?page_id=26).

Teaching

Classes for chemical and material engineering students.
More information for students is available here (http://www.bioera.dii.unipd.it/?page_id=214).
