- failure to pay the contribution.

Art. 6 Selection Committees

UNIVERSITÀ DEGLI STUDI DI PALERMO

AREA RISORSE UMANE SETTORE RECLUTAMENTO E SELEZIONI

1. The committee, in charge of the selection procedures, is made up of three permanent members, Professors, belonging to the competition sector and not working for the University of Palermo.

The Department, asking for the publication of this call for selection, will appoint four Professors not belonging to the University of Palermo, by an absolute majority of its Board. Among those four professors, Officers, appointed by the Rector, will draw two members of the Commission.

The Department, asking for the publication of this call for selection, will appoint the third member, belonging to the University as well. In this circumstance, this third member can be selected within the macro sector.

The proposed members must have an international high scientific profile. They are selected among the tenured professors, belonging to the list of commissioners in charge for the national scientific qualification in the relevant Assessment Sector.

The Director of the Department, who requested the procedure, will validate the possess of requirements and qualifications for the professors not belonging to the Ministerial lists of the Commissioners for the national scientific qualification. Those requirements and qualifications are equivalent to ones required for being included in the abovementioned lists and to those detailed in the resolution n. 132 dated 13.09.2016 issued by the ANVUR Board of Directors.

As member of the selection committee, a scholar, engaged permanently abroad in Universities research and teaching activities for at least three years, covering an academic position equivalent to that of full professor in foreign universities or research institutions, with high scientific qualification recognized internationally, can be proposed.

Should a first –level professors, belonging to the University of Palermo not be selected as member of the Commission for the selection procedure, a second-level professor can be proposed, if belonging to the University of Palermo and holding the required qualifications.

2.The Commission is appointed with a Decree issued by the Rector who may verify the above requirements preliminarily, with a support of external experts.

When a member turns down the appointment or in the event of unexpected unavailability before the appointment of the commission, the procedure by drawing lots is repeated for the commissioner who renounced, as soon as the concerned department has communicated another member.

The designation decree is published on the Official University Register.

3.The Commission appoints a President and a Secretary among its members and makes its decisions by an absolute majority.

4.Within thirty days from the publication of the decree appointing the commission in the University Official Register, the candidates may submit to the Rector of the University petitions/complaints against the member of the selection committees, when there are the circumstances foreseen by the art. 51 and 52 of the Italian Civil Code of Civil Procedure. If the cause for the objection has arisen, as long as it is prior to the date on which the commission is established, the term starts from its onset. The petitioner's procedure is not allowed anymore, when the mentioned deadline has passed and, in any case, after the setting-up of the selection commission.

Art. 7

Selection committee's fulfilments and exams test

After 30 days from the publication of the appointment's decree on the University's Official Register, the internal Professor asks for the first meeting of the selection committee. According to this public notice, the appointed committee is authorized to hold the first meeting and the whole selection's procedure, *via online*.

The Committee in the above-mentioned meeting will:

- appoint the President and the Secretary for the minutes;

At the end of the first meeting, the minutes containing the assessment criteria and schemes is delivered to the person in charge of the procedure in order to ensure the required publicity on the University's Official Register, at least for seven days, before the next and coming selection Committee section.

Pursuant to paragraph 2 letter c) of the art. 24 - Law n. 240/2010, the selection procedure will foresee a first preliminary evaluation of the candidates, with an explained and analytical evaluation decision referred to the qualifications, curriculum and on the scientific productions, including the PhD thesis, according to criteria and parameters recognized also in the international context and identified with the Ministerial Decree n. 243/2011 as per the following art. 8 of this announcement.

After the preliminary assessment, the most deserving candidates are admitted to the public discussion of qualifications and scientific production. A number between 10% and 20% of candidates and however not less than six units will be admitted. Admitted Candidates will find information on the next coming selection steps visiting the website: <http://bit.ly/ricercatoriTD> and with an official communication published on the University Official Registry.

If the number of candidates is equal to or less than six, all of them will be admitted to the public discussion and the above-mentioned preliminary evaluation will not be carried out.

The exam will take place together with the discussion about the qualifications and publications. It is also aimed at establishing the foreign language's knowledge.

Everyone can access the public interview/discussion, open to general audience.

Day, venue, and time of the public discussion (online and/or in presence) will be communicated to the interested parties not less than twenty days before the exam, in the Official University Register and on the University page at <http://bit.ly/ricercatoriTD>. No other further communication will be released.

The Administration assumes no responsibility for the failure to receive or not to read the e-mail and each candidate will be directly responsible to keep herself/himself informed by consulting the competition website to find the necessary information on the selection procedures.

After the discussion, the Commission will score the qualifications and each publication sent by the candidates admitted to the discussion, according to the criteria established in the minutes no. 1.

The Commission is required to reserve not less than 70% of the maximum score for the publications (articles 7 and 9 of the Regulations for the recruitment of temporary researchers), in scoring the qualifications and each publication.

Candidates must show only one of the following valid identification documents, for joining the evaluation sections:

- ID card;
- firearms license;
- driving license;
- boat license;
- passport;
- identification cards issued by a State Administration, provided that those documents have a photograph and/or a stamp and/or other equivalent signature.

The selection procedure acts consist of the minutes of the meetings and the final report about the works carried out by the Commission. The individual and collective decisions expressed for each candidate during the preliminary assessment, as well as the scores assigned to the qualifications and to each publication of the candidates admitted to the public discussion, are integral and necessary part of the minutes.

At the end of the work, the Commission, after a comparative evaluation, with a final resolution approved by the majority of the members, appoints the winner.

The Commission must conclude all the selection phases **within four (4) months** from the date of the Rector's appointment decree. The Rector may extend the terms for closing the selection phases, only at once and for **two (2) months**, for extraordinary and proven reasons, as communicated by the President of the selection committee.

In the event that the works are not completed within the aforesaid term, with a motivated decision, the Rector can launch the procedure to replace the members of the committee, establishing at the same time a new deadline for the conclusion of the procedures.

Art. 8

Qualifications and curriculum assessment

UNIVERSITÀ DEGLI STUDI DI PALERMO

AREA RISORSE UMANE SETTORE RECLUTAMENTO E SELEZIONI

The preliminary evaluation of the candidates, with motivated analytical decision based on the qualifications, on the curriculum and on the scientific production, including the PhD research, is carried out before the public discussion, according to the criteria as per art. 2 of the Ministerial Decree 25.05.2011 n. 243 and based on the following elements.

The selection Commissions foreseen by article 1 of the abovementioned D.M. carry out an exhausted evaluation phase, followed by a comparative evaluation, making reference to the specific competition sector and to the possible profile defined exclusively through indication of one or more scientific disciplinary sectors, of the curriculum and of the following titles, duly documented, of the candidates:
