THE UNIVERSITY

The University of Palermo (UNIPA) is a consolidated cultural, scientific and teaching presence in central-western Sicily, in Agrigento (Cultural Heritage Area), Caltanissetta (Medicine), Trapani (Law, Agriculture, Medicine). Its 12 Faculties and 33 Departments cover the most important domains of contemporary scientific and technological knowledge.

About 126 courses (first and second cycle) are yearly offered as well as 56 master, 45 specialization and 39 PhD courses, targeted to the training of specific professional figures, often in cooperation with external institutions and companies - a galaxy which altogether counts 55,000 students.

HOW TO ENROL

You need a school leaving qualification awarded after completion of 12 years of global schooling and, if needed in your Country, the proof of passing the university eligibility examination to enrol in a 1st cycle Degree Course of the University of Palermo; you'll need a first cycle University Degree to enrol in a 2nd cycle Degree Course (Master Course).

WHAT TO DO TO ENROL

With reference to foreign study qualifications and related documents, Italian diplomatic authorities (Embassies, Consulates, Cultural Institutes, etc.), on request perform the operations commonly referred to as "perfezionamento documenti".

TUITION FEES

In accordance with the Rectoral Decree 2565 of 2010, extra-UE students enrolling in the first year of a 2nd cycle (Master) Degree Course will not pay the University dues as they are considered as a part of the zero-income range, while UE students and Italian students with foreign degree will pay the fees provided for the first income range. No facilitations are provided for enrolments in 1st cycle Degree Courses (Lauree) as well as in single-cycle Degree Courses (Lauree Magistrali a ciclo Unico: "Medicine and Surgery", "School of Dentistry", "Law", "Building Engineering-Architecture" and "Architecture").

ITALIAN LANGUAGE TEST

An Italian language examination is mandatory to be admitted to both 1st cycle Degrees and single-cycle Degrees; in accordance with the Rectoral Decree 3676 of 2010, no Italian language test is needed to be admitted to 2nd cycle Degree Courses. At the Faculty of Arts and Humanities, the School of Italian for Foreigners arranges Italian language courses also in summer.

SINGLE SUBJECT COURSES

To enrol in single subject courses you need to be a student of a foreign University. If you come from an extra-EU Country, the Italian Embassy in your country will certify this for you; on the contrary, if you come from one of the EU Countries, an official certificate of the University you are attending will be sufficient. If you wish to enrol in single subject courses and you come from a University with which the University of Palermo has signed a cooperation agreement, you will not need to submit any certificates, since your status is set forth in the cooperation agreement. You'll pay €50 for operating costs plus €50 for each single course. The costs may vary in case of cooperation agreements in force between your University and UNIPA.
