

München, 17.11.2016

Dear Ladies, dear gentlemen,

As the head of the Department of Experimental Radiation Oncology/Radiation Biology at the Technische Universität München (TUM), I hereby declare that I will be the Tutor of the PhD student who will receive the fellowship PON 2016/2017 from the University of Palermo, Dipartimento di Biomedicina Sperimentale e Neuroscienze Cliniche.

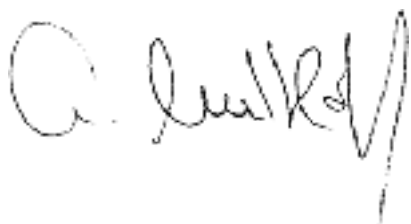

The student will stay for a period of 12 months in my research laboratories at Klinikum rechts der Isar, Technische Universität München (Munich, Germany).

Considering that it is now November, I think that the student can come to my laboratory in July 2017.

Proposed start and finish dates: 07/2017–06/2018.

Yours sincerely,

Prof. Gabriele Multhoff
