School of Health Sciences

School of Medicine (SM)

Faculty of Veterinary Science (FVS)

Department of Biochemistry and Biotechnology (DBB)

The University of Thessaly was founded in 1984 and has elected the first Rectorate Board in 1998. Its administrative and academic centre is in the city of Volos. In order to serve the needs of the region of Thessaly, its first Departments were based on agricultural, educational and technological sciences.

Today the University of Thessaly has 9.647 undergraduate students, 1.471 postgraduate students and 1.148 PhD students. It also has 560 members of teaching and research staff, 98 members of teaching staff with a temporary teaching contract, 308 members of administrative staff and 57 members of Special Technical Laboratory Staff. It is a University with its own identity and with a prominent position in our national educational system, known for its quality in teaching, research, human resources, spirit of cooperation at all levels and a dynamic presence in the society.
