CATERING PROVIDED BY I CUCCI,

Piazza Bologni, 3, Palermo

- Coffee Breaks and Lunches will take place in the garden of Building 15 (ground floor, in front of the building's main entrance). In case of bad weather, the catering will be moved to the pedestrian subway of Building 16.

WEATHER AND WATER:

*- Please do expect high temperatures of around 35 degrees Celsius.
- On the university campus, there are several "Case dell'Acqua" (water dispensers) where you can take cold filtered water for free, both still and sparkling. Please bring your own bottle. The closest water dispenser is in front of the main entrance of Building 15.*

SUN, SEA, AND BEACH:

*- Even though Palermo is a city by the sea, there are no beaches in the town, nor can you swim. The closest beach (which is also the most popular one) is called "Mondello", you can easily go there by bus (there are many different lines that go there, but just a few are direct services). Buses run on a 24/7 schedule.
- If you prefer less crowded beaches nearby, we suggest you catch the train of the Palermo Centrale-Palermo Airport line and alight at one of the following stations: "Sferracavallo", "Isola delle Femmine" (which is not an island, despite its name), or "Capaci", tickets on the Trenitalia website and app.
- Otherwise, if you want to travel a bit further out, the most popular destination is the city of Cefalù (45 minutes by train), timetable and tickets on the Trenitalia website and app.*
