

POSTERS

Giuseppe Bordonaro (University of Palermo, Italy)
Archeological survey, GIS and Web Mapping on the territory of Baucina (Sicily).

Andrea Borruso (PANOPTES srl, Palermo, Italy)

Luciano Giliberto (Universität Tübingen, Germany)

Recycling of techniques and technologies of everyday life for a low cost archaeological investigation.

Alessandra Canale (University of Palermo, Italy)

High Madonie project. Investigating the settlement dynamics and cultural transmission mechanisms from a mountain context, through the analysis and reconstruction of ancient road system.

Giuseppe Feriazzo (University of Foggia, Italy)

On the footsteps of the ancient routes. Proofreading and new surveys on the Via Appia: from Aeclanum to Venusia.

Marco Oliva (University of Palermo, Italy)

Archaeological survey in the peninsula of San Vito Lo Capo (Sicily).

Giovanni Polizzi (Centre Camille Jullian, Aix-en Provence University, France)

Archaeological survey along the Nocella River (Carini, Pa).

DECEMBER 2, FRIDAY

9.00

Opening welcome

Maria Concetta Di Natale

Director of the Dipartimento Culture e Società

Introduction: Oscar Belvedere, Aurelio Burgio

Session 1 - Methodological approaches to archaeological survey

9.30

Arthur Hamel (Leiden University, The Netherlands)

Misleading scatters: erosion bias on surface scatter, the case of Allamprese, Basilicata, Italy.

10.00

Jesús García Sánchez (Leiden University, The Netherlands)

Studying Intra-site survey collections. Cul-de-sac or meaningful spatial information?

10.30

Peter Attema, Jan Ferco van der Weg (Groningen University, The Netherlands)

The importance of comparative study of survey data for understanding Hellenistic rural infill, comparing surveys from South and Central Italy.

11.00

Giuseppe Scardozzi (IBAM-CNR, Lecce, Italy)

Archaeological surveys in the Inner Southern Etruria: multidisciplinary approaches for the reconstruction of the ancient settlement patterns.

11.30 - Coffee break

Session 2 - Remote Sensing, open sources and technologies for archaeological researches

12.00

Aurelio Burgio (University of Palermo, Italy) - **Luciano Giliberto** (Universität Tübingen, Germany)

The Cignana Project (Agrigento, Sicily): archeological survey and remote sensing.

12.30

Jeremia Pelgrom (Koninklijk Nederlands Instituut Rome, Italy) - **Arthur Hamel** (Leiden University, The Netherlands)

Prospecting the fifth mile of the via Appia.

13.00

Frank Vermeulen, Lieven Verdonck (University of Ghent, Belgium) - **Alessandro Launaro, Martin Millett** (University of Cambridge, UK) - **Giovanna R. Bellini** (Soprintendenza Archeologia del Lazio e dell'Etruria Meridionale, Roma, Italy)

Georadar survey of two Roman towns in Lazio, Italy.

13.30 - Lunch

15.00

Maria Assunta Papa (Palermo, Italy) - **Andrea Borruso** (PANOPTES srl, Palermo, Italy)

Intersite WEBGIS of Archaeological Park of Agrigento.

15.30

Giovanni Di Stefano (Museum of Camarina, Italy) - **Johannes Bergemann, Chiara Blasetti Fantauzzi, Rebecca Klug, Mario Rempe** (Archaeologisches Institut, Göttingen Universität, Germany)

Archaeology and remote sensing in Camarina: City and Chora.

16.00

Stefan Groh, Helga Sedlmayer (Austrian Archaeological Institute, Vienna, Austria)

Integrated survey of a villa maritima on the upper Adriatic coast (Izola/San Simone, Slovenia).

16.30

Maria Luisa Marchi, Giovanni Forte (University of Foggia, Italy) - **Italo Maria Muntoni** (Soprintendenza Archeologia Belle Arti e Paesaggio per le province BAT e Foggia, Italy)

Archaeological survey and Archaeological Map: new approaches to the study of ancient landscape and preventive archaeology.

17.00 - Coffee break

Session 3 - The archaeological landscape

17.30

Berkay Dinçer (Istanbul University, Istanbul, Turkey)

Paleolithic Survey at Kureyşler (Kutahya), NW Anatolia.

18.00

Albert Ammermann (Colgate University, Hamilton, NY, USA)

36 Years of Landscape Dynamics at Acconia: Implications for Survey Archaeology.

18.30

Annapaola Mosca (University of Roma "La Sapienza", Italy)

Surveys in the island of Pantelleria with the use of GPS, aerial photos and satellite imagery: a rocky Mediterranean landscape.

DECEMBER 3, SATURDAY

Session 3 - The archaeological landscape

9.00

Luis María Gutiérrez Soler, María Alejo Armijo, Antonio Jesús Ortiz Villarejo (University of Jaén, Spain)

Cultural evolution of the Giribaile's hinterland landscape. Thinking about strategies of intensive archaeological survey.

9.30

Enrique Ariño Gil (University of Salamanca, Spain) - **G. Cañellas** (University of Barcelona, Spain) - **A. Ezquerro** (University of Salamanca, Spain) - **J. García** (Leiden University, The Netherlands) - **J. González-Tablas** (University of Salamanca, Spain) - **S. Riera** (University of Barcelona, Spain) - **R. Sala** (Barcelona, Spain) - **R. de Soto** (Museo del Prado, Madrid, Spain)

The city of Libia (Herramélluri, La Rioja, Spain): Landscape archaeology between the Late Age and Early Middle Ages.

10.00

Angelo Castrorao Barba (CIRITA, University of Palermo, Italy) - **Antonio Rotolo** (University of Konstanz, Germany) - **Pasquale Marino** (Bona Furtuna LLC) - **Stefano Vassallo** (Soprintendenza BB.CC.AA Palermo, Italy) - **Giuseppe Bazan** (University of Palermo, Italy)

Harvesting Memories to recompose the rural landscape history: Ecology and Landscape Archaeology in the Castro/Giardinello Valley and the area of Mt. Barraù (Corleone - Palermo).

10.30

Massimo Cultraro (IBAM-CNR, Catania, Italy) - **Anita Crispino** (Museo Archeologico "Paolo Orsi", Siracusa, Italy)

Before the Colonies: Archaeological studies of settlement pattern analysis in the Valley of Tellaro River (Syracuse) during the early Iron Age.

11.00

Enrico Giannitrapani (Arkeos, Enna, Italy) - **Mark Pluciennik** (University of Leicester, UK) - **Francesca Valbruzzi** (Soprintendenza BB.CC.AA., Enna, Italy) - **Anna Maria Barberi, Filippo Ianni** (Arkeos, Enna, Italy) - **Rossella Nicoletti** (Kore University, Enna, Italy) - **Antoine Mientjes** (SOB Research, The Netherlands)

For a global landscape archaeology in central Sicily: 20 years of field surveys (1995-2015) in the middle Imera meridionale river valley.

11.30 - Coffee break

12.00 - 14.00

Poster Session and Conclusions
