## ANNUAL COORDINATION MEETING I

23rd January 2023

On January 23, 2023, the first annual coordination meeting of the Global-ANSWER Network will take place in Madrid. Some of the objectives of this first meeting are:

- Take stock of the project management in the first year.
- Reflect on the tasks completed and those that are currently being developed.
- Plan jointly the actions to be developed in 2023.
- Continue to build our framework for identifying good practices in social work and human mobility.
