Subject: european regional dataset

Dear Dr McQuinn

I am writing to kindly ask you what is the current licensing price for the Europea Regional Dataset and what the licensing terms would be

The dataset would be used for non-profit academic research.

I thank you in advance and look forward to hearing from you soon

Kind regards

Mario Lavezzi

European Regional Database 2016 Overview

Cambridge Econometrics' European Regional Database contains annual observations for the period 1980-2014. Coverage is for the EU28 and Norway (except for the hours worked indicator where data is unavailable for Croatia) with data for the old EU15 Member States available from 1980-2014 while for the more recent European Member States (new EU12) coverage is 1990-2014 and for Croatia data is available for 1995-2014.

The list of indicators is described in the table below.

Indicator	Unit	Geographical level of detail	
		NUTS2	NUTS3
GVA	€2005m	6 ¹ sectors	6 sectors
