

"Dear SCI members,

We are excited to announce the 2nd SCI Virtual Symposium for Young Organic Chemists (SCI-ViSYOChem) **24-27 October 2022**, promoted by the Organic Division of Società Chimica Italiana. The symposium is aimed to give young chemists the possibility of presenting their research projects and sharing ideas in a dynamic and stimulating environment.

We will host only short communications of 15 minutes each provided by talented young researchers (under 35) working in the field of organic chemistry and affiliated to Italian and European academic institutions.

Sessions can be attended on Facebook ([@SCIChimicaOrganica](https://www.facebook.com/SCIChimicaOrganica)) and via Zoom ([bit.ly/2ndvisyochemAM](https://bit.ly/2ndvisyochemAM) and [bit.ly/2ndvisyochemPM](https://bit.ly/2ndvisyochemPM)).

Participation will be open and free of charge.

Important dates:

- 22nd Sept: abstract submission deadline
- 3rd Oct: abstract acceptance notification.
- 10th Oct: registration deadline
- 20th Oct: Twitter Poster Conference

For more information please visit [scivisyochem2022.weebly.com](https://scivisyochem2022.weebly.com).

We hope to see you there!"
