

## SEMINARI

### Dr. Helene Simoni

Department of Geology of the University of Patras (GR)

1) **LANDSCAPE ARCHEOLOGY AND LOCAL HISTORY**

11 December, Monday 9:00-11:00 am at the “Gipsoteca”, Department of Culture and Society, Campus, Building 15, Floor VIII.

2) **GIS DEFINITION & APPLICATIONS IN HERITAGE MANAGEMENT**

12 December, Tuesday, 3.00pm-5.00 pm, Department of Earth and Marine Sciences, at Room D6 Via Archirafi 36, Floor II.

3) **HERITAGE MANAGEMENT IN THE RURAL AND URBAN LANDSCAPE**

13 December, Wednesday 2.00pm-4.00 pm at the “Gipsoteca”, Department of Culture and Society, Campus, Building 15, Floor VIII.

4) **GIS AND REMOTE SENSING APPLICATIONS IN ARCHAEOLOGICAL RESEARCH**

14 December, Thursday, 3.00pm-5.00 pm, Department of Earth and Marine Sciences, Via Archirafi 36, at Room D6, Floor II.

The seminars are dedicated to students of the master's degree courses in *Geohazards and Georesources (LM-74)* and *Archeology (LM-2)*, as well as to students of the *PhD in Earth and Marine Sciences* and the *PhD in Cultural Heritage*. The seminars are however open to all interested students, scholars and researchers of the University.

Dr. Helene Simoni (hsimoni@upatras.gr), member of the staff of the Department of Geology of the University of Patras (GR), is an archaeologist with a master's degree in landscape studies and a PhD in the use of GIS in the management of urban cultural resources. At the Department of Geology of the University of Patras, Dr. H. Simoni currently holds lectures and laboratory activities for the courses of Cartography, GIS, Remote Sensing, Hydrology and Protection of Cultural Resources
