What is GALACTICA Hackathon?

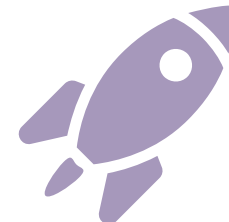

An **open-innovation challenge** aimed to find new early-stage ideas that combine advanced manufacturing with aerospace and/or textile

The competition will run from October to December 2021. It is open to teams from **SMEs, Start-Ups and Students** within the European Union

Participation is open to **teams of 3-5 people**, that will compete either in the Company or in the Student category (students enrolled in EU universities)

4 teams will be awarded a **total amount of € 50,000** to develop their ideas and will have the chance to access other GALACTICA support tools

How to register?

1. Access GALACTICA **website by 28 September**: <https://galacticaproject.eu>

2. Within the Events section, go on **Hackathon** page

3. Check the **terms of participation** at the end of the page

4. Click on **Register** and compile the form with your team's details

5. You will **receive via email** the link to join our Slack channel (mandatory)
