Nadia Moukri

WORK EXPERIENCE

Mar 2021–Present PhD student

Università degli studi di Palermo, Palermo (Italy)

Jun 2020–Dec 2020 Scholarship Holder

Università degli studi di Palermo, Palermo (Italy)

EDUCATION

Oct 2017–Mar 2020 Master's Degree in Chemical Engineering

Università degli studi di Palermo, Palermo (Italy)

Final grade: 110/110 cum laude

Thesis title: "Cultivation of Sicilian indigenous microalgal strains in a quasi-soactin photobioreactor and induction of high-value compounds using flashing light".

Sep 2013–Mar 2017 Bachelor's Degree in Chemical Engineering

Università degli studi di Palermo, Palermo (Italy)

Final grade: 106/110

Thesis title: "Microfluidic chip production techniques for biomedical applications"
