# MaTeK

Enhancement of research excellence in Mathematics

Teacher Knowledge

H2020-WIDESPREAD-2018-2020

Project Id: 951822

-----  
**UniPa Workshop – *One year of MaTeK***

June 30, 2023

*Department of Mathematics and Informatics, DMI - UniPa*

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement no. 951822

The event, **opened to anyone interested**, will be held on June 30, 2022 **in presence** at the *Department of Mathematics and Informatics, DMI - UniPa, Stanza 105*, and **online** by Zoom (<https://zoom.us/j/95533862614>), according to the following **program**:

Time	Presentation/Title	Speaker
12,30	<b><i>Greetings and introduction</i></b>	Benedetto Di Paola <i>University of Palermo – UniPa, Italy</i>
12,40	<b><i>One year of MaTeK ... past and future issue in Mathematics Education research</i></b>	Benedetto Di Paola <i>University of Palermo – UniPa, Italy</i>
13,10	<b><i>An introduction to Qualitative Data Analysis with MAXQDA</i></b>	Şerife Sevinç <i>Middle East Technical University – METU, Turkey</i>
13,40	<b><i>Cluster Analysis of educational data: theoretical aspects and some evidence from the teachers MaTeK survey</i></b>	Onofrio Rosario Battaglia <i>University of Palermo – UniPa, Italy</i>
14,10	<b><i>Reasoning and proving in school mathematics textbooks: some evidence from the MaTeK consortium</i></b>	Benedetto Di Paola <i>University of Palermo – UniPa, Italy</i> Giuseppe Bianco <i>University of Palermo – UniPa, Italy</i>
14,40	<b><i>Discussion</i></b>	

The link to participate online is: <https://zoom.us/j/95533862614>

Prof. Benedetto Di Paola  
*Local coordinator MaTeK project for UniPa  
President of GRIM, UniPa Research Group in Math Education*
