

09/02/2022 09:00 - Spectroscopic and chromatographic analytical techniques in agricultural chemistry: ICP-OES, ICP-MS, MP-AES - Dr. Filippo Saiano - University of Palermo, Dip. SAAF, Lab. Chimica Agraria, Ed. 4, 1° piano

16/02/2022 09:00 - Spectroscopic and chromatographic analytical techniques in agricultural chemistry: HPLC & LC-MS - Dr. Filippo Saiano - University of Palermo, Dip. SAAF, Lab. Chimica Agraria, Ed. 4, 1° piano

24/02/2022 09:00 - Spectroscopic and chromatographic analytical techniques in agricultural chemistry: GC-FID, GC-ECD, GC-TCD, GC-MS - Dr. Filippo Saiano - University of Palermo, Dip. SAAF, Lab. Chimica Agraria, Ed. 4, 1° piano

03/03/2022 11:00 - Training AFM: Microscopia a Forza Atomica - Prof. Gianpiero Buscarino - ATEN CENTER, University of Palermo

02-24/03/2022 - Corso di "Statistica di base" (32 ore) per i dottorandi del XXXVII ciclo - Prof. Stefano Barone - Aula M, Dip. SAAF, Università degli Studi di Palermo

07/03/2022-13/04/2022 - Corso di "Presentazione dei risultati della ricerca in inglese" (18 ore) per i dottorandi del XXXVI ciclo - Prof. Riccardo Lo Bianco - Aula M, Dip. SAAF, Università degli Studi di Palermo

12/04/2022 - OPEN ACCESS AUTHOR WEBINAR FOR ITALY - Springer Nature - registrazione: attendee.gotowebinar.com/register/7456367111746971147

27-28/04/2022 - Genome-based characterization of Mediterranean fruit crop genetic resources for better resilience to climate extremes - Progetto FREECLIMB - [clicca qui per vedere il programma e le info di registrazione](#)

27/04/2022 10:00-12:00 - Autonomous/robotics System in agriculture - Prof. Claus Grøn Sørensen, Århus University, Denmark - Aula Magna, Dip. SAAF

27/04/2022 15:00-17:00 - Modelling/Simulation/Decision Support in agriculture - Prof. Claus Grøn Sørensen, Århus University, Denmark - Modalità Mista - Aula C, Dip. SAAF ([webinar STAF 3](#))

28/04/2022 10:00-12:00 - Information and Communications Technology (ICT) and enhanced data processing/innovations in agricultural applications - Prof. Claus Grøn Sørensen, Århus University, Denmark - Aula Magna, Dip. SAAF

29/04/2022 10:00-12:00 - Smart Farming and Technology advances in Precision Farming – a paradigm shift? - Prof. Claus Grøn Sørensen, Århus University, Denmark - Aula C, Dip. SAAF

25/05/2022 14:30 - Aquaporins more than just water channels - Prof. Steven Footitt, Bogazici University, Turkey

15:00 - The Impact of Novel Genetic Engineering Tools in Plant Science and Agriculture - Dr. Atalay Nallidere, Bogazici University, Turkey

15:30 - *Getting to know grapevine and pistachio from their genomes by long-read sequencing* - Dr. Pablo Carbonell-Bejerano, Max Planck Institute - Tübingen, Germany ([locandina con link a webinar](#))

30/05/2022 10:00-12:00 - *Il Biochar: meccanismi di funzionamento per la protezione e conservazione del suolo* - Prof. Pellegrino Conte, Università degli Studi di Palermo - Aula Magna, Dip. SAAF ([locandina con link a webinar](#))

30/05/2022 14:00-16:00 - *The role and importance of ethics, main ethical theories (brief overview)* - Prof. Zoltan Peter Alfoldi, Hungarian University for Agriculture & Life Sciences - Aula Magna, Dip. SAAF ([locandina con link a webinar](#))

31/05/2022 10:00-12:00 - *Environmental ethics - its field , scope, brief history* - Prof. Zoltan Peter Alfoldi, Hungarian University for Agriculture & Life Sciences - Aula Magna, Dip. SAAF ([locandina con link a webinar](#))

31/05/2022 14:00-16:00 - *The United Nations' SDGs and their ethical relevancies* - Prof. Zoltan Peter Alfoldi, Hungarian University for Agriculture & Life Sciences - Aula Magna, Dip. SAAF ([locandina con link a webinar](#))

01/06/2022 10:00-12:00 - *The practical application of ethical theories in Human-Nature interactions* - Prof. Zoltan Peter Alfoldi, Hungarian University for Agriculture & Life Sciences - Aula Magna, Dip. SAAF ([locandina con link a webinar](#))

01/06/2022 14:00-16:00 - *The role of ethics in the era of climate change & environmental degradation* - Prof. Zoltan Peter Alfoldi, Hungarian University for Agriculture & Life Sciences - Aula Magna, Dip. SAAF ([locandina con link a webinar](#))
