Ph.D. Student	STEFANO PUCCIO
Photo	
Phone	+39 3339967737
E-mail	stefano.puccio01@unipa.it
Orcid ID	https://orcid.org/0000-0001-7957-758X
Location	Department of Agricultural, Food, and Forest Sciences (SAAF), Viale delle Scienze, Building 4, Entrance H Palermo, Italy
Profile	Bachelor's degree in Organic Farming at Università degli Studi di Palermo, 2017; Master's degree in Agricultural Production and Technologies at Università degli Studi di Palermo, 2019; PhD in Biodivesity in Agriculture and Forestry at Università degli studi di Palermo, 2024.
Expertise	Horticulture; Precision Viticulture; Proximal and remote sensing; Vineyard spatial variability monitoring; Environmental data monitoring; Fruit quality analysis;
Advisor	Prof. Antonino Pisciotta
Co-advisor	Prof. Stefano Barone; Dr. Albert Comelli
Thesis topics	Vineyard management using remote and proximal sensing and Machine Learning
Research interests	Vineyard spatial variability monitoring and sustainable management using proximal and remote sensing. Grapevine phenology, nutritional and water status monitoring, yield prediction, grape and wine quality
