DI PALERMO

# Corso di formazione: Spatial statistics for social sciences

## WHERE:

Viale delle Scienze Ed. 15

## WHEN:

15/04/2024, 15:00 - 17:00, Assessment Lab, Floor VI  
16/04/2024, 15:00 - 17:00, Assessment Lab, Floor VI  
17/04/2024, 15:00 - 17:00, Assessment Lab, Floor VI  
18/04/2024, 13:30 - 14:30, Department Lunch Seminar  
19/04/2024, 11:00 - 12:00, to be determined

## PROGRAMME:

Types of spatial data, sources; Visualization and manipulation of spatial datasets in R; Spatial statistical models and implementation in R; Applications in social sciences.

## REQUIREMENTS:

Basic knowledge of descriptive and inferential statistics; basic R programming.

## LECTURER:

**Dr. Chibuzor Christopher Nnanatu\***, WorldPop Group, School of Geography, University of Southampton

## INFORMATION:

Registration is desired. Contact Micaela Arcaio at [micaela.arcaio@unipa.it](mailto:micaela.arcaio@unipa.it)

SOCIAL RESEARCH METHODOLOGY

**Laboratorio di  
Metodologia per la Ricerca sociale**
