# EMOTIONAL INTELLIGENCE

*for inclusive societies*

The 1st International Summer School on EMOTIONAL INTELLIGENCE FOR INCLUSIVE SOCIETIES is promoted by the Dipartimento di Scienze Psicologiche, Pedagogiche e Formative, University of Palermo, Italy, and will focus on the following topics: Emotional Intelligence: theoretical and measurement issues, Programs for the improvement of emotional abilities, Emotional intelligent schools, Emotional intelligent organizations, Case studies.

The summer school will last one week, for a total of 150 hours (28 hours classes, 12 hours e-learning[1], 110 hours individual study).

Participants must attend at least 80% of hours of classes, and prepare their final essay, according to guidelines. Graduates will obtain final certificate for the attribution of 6 ECTS which is valuable for courses in the European community.

#### Languages

Classes will be held in Italian, English and Spanish language.

#### Participants

All people with a bachelor degree, a master degree or equivalent, obtained in Italian or foreign institutions, are eligible to participate to the school.

The summer school is limited to 50 participants, and will be activated with a minimum of 30 participants. If applications exceed the number of available places, the candidates will be selected considering their curriculum. The 50% of places are reserved for foreign participants.

People may participate as:

Contributors, interested in presenting sessions or poster presentations, may submit an abstract of their presentation (500 words, English language) and a short curriculum vitae to: [antonella.damico@unipa.it](mailto:antonella.damico@unipa.it)

Applicants, interested only to attend the course may submit a short curriculum vitae to: [emotionalintelligence@unipa.it](mailto:emotionalintelligence@unipa.it)

#### Deadlines

Abstract submission: April 30, 2014 (extended deadline: May 26, 2014)  
Registration (both for contributors and applicants): May 31, 2014
