

CONGRÈS INTERNATIONAL RÉSEAU MEMITÀ
PAU, DU 7 AU 9 DÉCEMBRE 2022

LES MÉDIAS :
le Quatrième pouvoir ?

Identité, mémoire et patrimoine.

Media the fourth estate? identity, memory, heritage

The international network MEMITÀ (Memory&Identity and Media Studies) would like to organise the next Congress in France, with its partners the Universities of Rennes 2 and Pau and Pays de l'Adour on a hybrid basis.

For this new edition, the question chosen was: "Identity and memory in the media: configurations and recompositions of the fourth power". With an interdisciplinary vocation, the Mémita Congress proposes to organise panels and communications on cultural representations, social anchors, values, codes and modes of operation according to the approaches of the different disciplines participating in the network: literature, languages, didactics, publishing, communication, history, sociology, visual arts, cinema and documentaries, etc.

Research areas considered:

- Media as the Fourth Estate: Configurations and recompositions.
- The media and public opinion: factories of identity?
- The media and the hidden face of reality.
- The media and the manufacture of cultural brands, signs of identity.
- The media, memory and heritage: recovery, transmission and valorisation.

HOSTING PLACE: PAU in videoconference and in person.

The conference will be held at the University of Pau and Pays de l'Adour, in collaboration with the University of Rennes. We will consider the hybrid format (in presence and online) in the case of pandemic emergency.

The official languages are French, Spanish and English. The presentation will be of maximum 20 minutes. The Q&A session after the presentation can be conducted in the language most comfortable for the presenter and its audience.

We kindly ask you to send the abstract (200 words) and your CV (100 words, academic affiliation and e-mail) or complete panel (with the bios of each presenter) to **memita@unipa.it** before **01.09.2022**, indicating "**PAU 2022**" in the object of the e-mail. We will inform you about the **acceptance** of the proposal by **30.09.2022**.

Publication in Volume and Journal.
