## University of Dubrovnik – “Always the first, always better”

• A New University with an old tradition

UNIDU was founded in 2003 on the foundations of a very long tradition going back to the 17th century, modified by decades of experience in modern higher education

• A Small University: an ideal academic environment

UNIDU offers a great range of study programs.

• A Modern University for the modern student

In its programs, its organization and its technical equipment, UNIDU ranks with the best institutions of higher education in Croatia.

• The University and professional studies

Currently at UNIDU there are 12 undergraduate programs, 10 graduate and 6 postgraduate programs.

• Conformity with the Bologna Declaration

Lecture plans and programs are carried out in accordance with the recommendations of the Bologna Declaration.

• Active international co-operation and joint studies with other universities

At the moment UNIDU has a growing number, currently more than 30 signed bilateral agreements with universities all over the world.

• Study in the one of the most attractive towns of the Mediterranean

Thanks to its geographical position, intrinsic beauty and unique cultural and political history, Dubrovnik is one of the most attractive and well-known cities of the Mediterranean.

## About UNIDU

The foundation of the University of Dubrovnik represents a crowning success in the long and continuing effort of individuals and institutions that have worked for the development of higher education in Dubrovnik. At present UNIDU consists of:
