Università della Svizzera italiana

Do research in Switzerland!

USI Università della Svizzera italiana
Faculty of Informatics

Master's Research Scholarships

The Opportunity

The Masters Research Scholarship (MaRS) program provides scholarships for masters students to visit the Università della Svizzera italiana (USI) for one semester to work on research projects in the Faculty of Informatics. Each scholarship recipient will receive 5,000 CHF to help cover travel and living expenses for the duration of their stay.

The University

The Università della Svizzera italiana is one of the youngest Swiss universities, located in the scenic region of Lugano, surrounded by beautiful mountains and lakes. The Faculty of Informatics at USI was established in 2004 and has quickly gained an international reputation as a high quality research and education center in Switzerland. It currently hosts 27 professors, around 20 post-docs and more than 100 PhD students from many parts of the world. The language of instruction is English although many languages are spoken in the halls.

Important dates:
Application deadline: October 1 - Notifications: November 1
