

With the support of the
Erasmus+ Programme
of the European Union

forthem.

Fostering Outreach
within European Regions,
Transnational Higher Education
and Mobility

Forthem Alliance

- Best practices -

- Common and transparent goals
- Having a balance between cultural and academic activities
- Encouraging Student involvement
- Use the digital to facilitate our exchanges and promote new type of mobility
- Establishing democratic debate with a clear voting process
- Having regular briefings on the development of the Alliance and the projects
- Climate of respect with an equity between student and staff members
- Good communication practices with transparency of information
- Good practices which foster resilience
- Sharing and reassuring of a same European vision
- Being inclusive, open and share with each others
- Push changes in universities
- Travel reimbursement : open and affordable travel for everyone
- Inclusive and diverse projects which are affordable for all
- Accessibility (level of studies and finance) to not be an obstacle
