

**OPERATIONAL MODES  
ACTION A**

The applicants are PI of ERC Starting Grants under the Horizon 2020 and Horizon Europe Framework Programs in foreign Host Institutions; the grant has to be valid until 11 October 2022.

UniPa is a potential Host Institution through its Departments, where the research activities will be carried out.

The Principal Investigator must choose up to 3 vacant available positions indicated by the Host Institutions and at least one must be located in the Southern regions, indicating a preference order.

If the project is financed, the PI transfers the project funded by the the European Research Council, through the tool of portability, to UniPa, and he determines the acceptance of the associate professor position available at UniPa.

For the call of the associate professor, the third sentence of Article 1, paragraph 9, of Law No. 230 of 4th November 2005 is not applied.

The deadline for the application submission to the Minister of the University and Research is 11 October 2022.
