Notice for the expressions of interest of scientists for filling a permanent position of full or associate professor at the University of Palermo

The University of Palermo is finding out whether abroad scientists, possessing high scientific qualification, are interested to fill permanent positions of associate or full professors.

The eligibility is extended to scientists who are in possession of the National Scientific Qualification (ASN) either in the competition sectors (SC) or in one of SC belonging to the same macro sector for the required position as well as to professors of other Universities holding an academic position equivalent to that is applying for. Each candidate may indicate only one position to which one SC and SSD have to be associated.

The received expressions of interest will be forwarded to the departments and, specifically, the list of the positions reporting the SC and SSD as well as the country of origin of the applicant, in order to provide useful insights for the activation of selective procedures for the recruitment of external professors.

The Administration Council will take into account only the department requests for the activation of selective procedures for the recruitment external professors which have received at least one expression of interest.

The submission of expression of interest does not guarantee entitlement for participating in procedures for accessing the qualification of teaching personnel of the University of Palermo. The provided personal data will be processed by the University of Palermo according to the U.E. n. 679 of 2016.

The applications have to be sent to the email address invito2023@unipa.it. Requirements of further information may sent to the same email address (invito2023@unipa.it).

The deadline of the present notice is April 27th, 2023.

THE RECTOR

Prof. Massimo Midiri
