Cit. <<I am contacting you for the following reason:

We would like to get in touch as we are also looking for partners for the same call. European Alternatives is a non-profit association established in 2007 and registered in Paris, France. After its first activities in London, it developed over the past 20 years to be active in every part of Europe, with offices in Paris, Palermo, Brussels, Barcelona and Berlin. It has become a unique organisation influencing European affairs while maintaining grassroots activity on the ground. European Alternatives' mission is to empower people to act across borders for democracy, equality, culture and climate justice. Its vision is a Europe that works systemically to promote sustainability, solidarity and creativity, where democracy, free expression, and care for people and the planet are guiding values. European Alternatives has an extensive experience managing EU and foundation-funded projects (Creative Europe, Erasmus+, CERV, Horizon Europe, DEAR). More information: <https://euroalter.com/>
