

## The IELTS Placement Test – Palermo University Language Centre - Sept. 2015

- Students who obtained **the highest** placement **test scores** will be **offered courses immediately** and will be contacted directly by email by their English lecturer.
- Students who obtained **good scores**, but not the highest, have been placed on a **waiting list**. You will be contacted directly by email later this year. We will email you to arrange a meeting in December to discuss course timetables.
- Students with relatively **low scores** will not find their names on the lists below. They should try to improve their English and do the next placement test which will take place in the second half of January 2016. If you need advice, please contact one of the IELTS lecturers during their office hours (*ricevimento studenti*) or consult the IELTS web page on unipa.it

If you want to know your **exact placement test score**, please come to the *sala lettori* on the 1<sup>st</sup> floor of the Language Centre during our office hours.
