Hands on Science

110157-CP-1-2003-1-PT-COMENIUS-C3

The aim of the Hands-on Science network is to contribute to the generalisation innovation and improvement of Science & Technology teaching at basic vocational training and secondary schools by hands-on experimental practice in the classroom.

Bringing hands-on active learning of Science into the classroom and into the soul and spirit of the European schools.

Next event: International workshop
Science literacy and lifelong learning
Europe towards a knowledge-based society
18th-20th May 2006, Bucharest, Romania

Network of Youth Excellence

The screenshot shows the homepage of the Network of Youth Excellence (NYEX) website. The page has a yellow-to-orange gradient background. At the top, there's a banner with the NYEX logo and a photo of students. Below the banner, the main content area is organized into several sections:

- Network Interactions:** Home, Partner-teams, Your opinion, Forum, Mailing lists, Impression.
- Activities:** Conferences, Camps, Common projects, Model projects, Former projects.
- 3rd NATO-UNESCO ARW:** General information, Agenda, Participants, Programmes, Proceedings Book, Venue.
- Announcements:** HSCT 2006 International Summer Science Conference, Science literacy and lifelong learning, "Training of Teacher's Trainers in Human Rights Education With Young People".
- Downloads:** Information Brochure.
- Top News:**
 - The Hungarian Research Student Movement turned 10 (September 12, 2006)
 - New partner organization joined the Network (01 Sept., 2006)
 - 3rd NATO-UNESCO ARW new proceedings uploaded (August 22, 2006)
 - The French Research Student Movement has been born (August 09, 2006)
 - NYEX welcomes its 19th member (July 26, 2006)
 - 1350 2006 (May 19, 2006)
 - International Conference on "Hands-on Science" (May 5, 2006)
- LATEST NEWS:** on science, technology and the developing world.
- Two-year delay for Romania's science university:** Botsen's first university dedicated to science and technology will delay opening its doors to students by two years, to 2009. [more >](#)
- Conference hears of progress in HIV/AIDS fight:** Scientists reported new insights into the origins of HIV, and progress towards new ways of treating and preventing infection at a conference last week. [more >](#)
- Chinese scientist sues co-authors over fraud claims:** A dispute between Chinese scientists over the validity of a research paper they co-wrote has led the project leader to sue two of his colleagues. [more >](#)

On the right side, there are sidebar boxes for "Board and Secretariat" (Board, Executive Board, Secretariat), "Partners" (Organizations, Individuals, Sponsors, Candidates), and "Join the movement" (How to join?, Application Form, Questionnaire, Memorandum). A "Contact the Network" section provides address details: House of Professors, H-1146 Budapest, Hungary, Alfréd Rényi sor 19-21, +36-1-224-0511, szakmai@kutdok.ph.hu, Fazekas@kutdok.ph.hu.

Centrul desfășoară următoarele tipuri de activități:

- Consultanță în domeniul studiului științelor prin experiment
- Organizarea de activități extracurriculare: Science fairs, Science Clubs
- Cursuri pentru profesori de liceu
- Organizarea de conferințe și seminarii naționale și internaționale.
- Cursuri de pregătire profesională pentru utilizatorii de laser și echipamente cu laser.

Multidisciplinary approach focused on:

- *The use of virtual instrumentation (LabVIEW) for real and virtual experiments (data acquisition from various sensors, PC control, European premiere)*
- *Photonics and optics (optical spectroscopy, optical fiber communications, lasers, classical optics)*
- *PC graphics (3D design and animation)*
- *Robotics (LEGO kits)*

Exhibitions & Conferences

ETOP 2005
Conference on Education and Training in Optics and Photonics
October 24th - 27th, 2005 in Marseille (France)

The conference centre is in the hotel Mercure in the centre of Marseille
The registration for ETOP 2005 is now open
You can see the schedule of sessions and the abstracts of each paper on this site:

- Schedule
- Abstracts

DON'T FORGET TO BOOK YOUR HOTEL! Special rate at the Mercure Marseille Technoparc
The Marseille Technoparc offers to visit the laboratory of Marseille on Wednesday 26 October. This invitation proposes:

- A lunch in a provincial restaurant
- Presentation of the Marseille Technoparc
- Technology Park
- Presentation of Cybernetic companies

Jointly organized with OCTOP 2005
