

NON-EU CITIZENS LIVING ABROAD

Enrolment

The information relating to registrations must be acquired at each university.

Should also in the process of registration, the foreign student not be in the possession of the required residence permit, registration required at the undergraduate or master's degree is made subject until the month of June of the year following the submission of the application.

In such circumstances, at the request of the competent university, no later than the same month of June, the police will send a notification concerning the actual issuance of the permit, or the eventual adoption of a decision rejecting the application.
