

## Residence permit

Citizens belonging to EU countries require citizens to register at the municipality where they decide to stay under the conditions, procedures and terms established by Legislative Decree 6 February 2007, n. 30.

## Enrollment of students without the residence permit

If in the process of registration, the foreign student is not in possession of the required residence permit, enrollment in the required degree course is conducted with reserve until **the 10<sup>th</sup> of July** of the year following the submission of the application. In such circumstances, at the request of the competent university, the police will send a notification concerning the actual issuance of the permit, or the eventual adoption of a decision rejecting the application no later than the month **of July**.
