WELCOME

Do you want to study in Italy? Go to the website https://www.universitaly.it/ and find the educational offer of all Italian Universities.
If you want to be University student in Italy you need to go to the Italia Embassy or Consulate in your country. They will give you the list of all Italian Universities.
Once you have chosen the university and degree course you need to apply to the Embassy with the pre-enrollment form (Form_A – Form_A-bis) by the deadline.
Then the Embassy will send your information to the chosen University.
